Who, after being by me duly sworn, on oath deposes and says: I work for the Texas School Book Depository I have worked for them seven years, at 511 Elm Street. Yesterday November 22, 1963 I was working, we took our lunch period from 12 to 1pm I went out side to watch the parade go by. I was standing on the front steps of our Building, as the parade drew near I walked closer to the street. Just after the President passed by I heard three shots. The first thing I thought of was someone was shooting at the President. I remarked to Mr. Campbell who was standing near by that I thought the shots had come from our building. But I heard someone else say no, I think it was farther down the street. I went back into our building and up to the second floor to our office, just after I entered the office I saw one of the men who work in the warehouse come through the back office door. This door is located near the lunch room and the rear stairway. I did not know this man's name at the time for he had not worked there long. However I now know his name to be Lee Oswald. I said to Lee, Oh! someone has shot at the President. I hope they didn't hit him. Lee mumbled something and walked on out of the office. I did not understand what he said, he had a coke in his hand. When I saw him he was dressed in a white T-shirt and I don't recall what his trousers was like. I did not see him anymore after that. ~~XXXXXXXXXX~~
